

Worksheet n°4 : Let's write!

Writing activities

Now use the information you gathered in order to write a three paragraph tale.

1. Write the expository scene (first paragraph).
2. Go back to *The Stars in the Sky* and pick out 2 verbs introducing reported speech. Think about other verbs you might need for your tale.
3. Now you can write your second paragraph. Don't forget to talk about the ordeal (third paragraph).
4. Go back to *The Stars in the Sky* and circle the linking words. Use some of them in your tale to link paragraphs or sentences.
