Applications Google

Cliquer sur "Créer"

The screenshot shows the Google Drive interface. On the left sidebar, the 'Drive' section is active, and the 'CRÉER' button is highlighted with a red box and an arrow pointing to it. The main content area displays a list of application options: Dossier, Document texte, Présentation, Feuille de calcul, Formulaire, and Dessin. At the bottom of this list, there is a link that says 'Connecter plus d'applications', which is also highlighted with a red box and an arrow pointing to it. The top of the interface shows the Google logo, the text 'Découvrez votre Drive', and a search bar.

**Puis, sélectionner
"Connecter plus d'applications"**

Applications Google

Cliquer à nouveau sur "+ connecter".

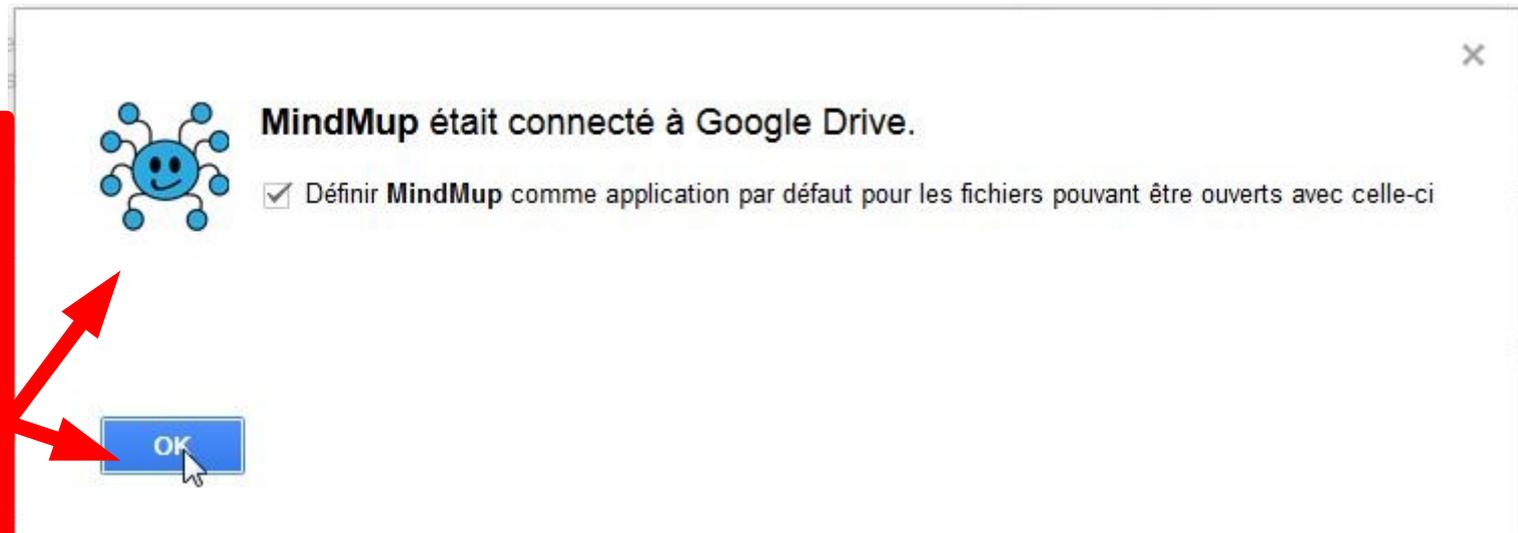

The screenshot displays the MindMup application interface within a browser window titled "Connecter des applications à Google Drive". The interface includes a header for "MindMup" with a 5-star rating and a blue button labeled "+ CONNECTER". A red arrow points to this button. Below the header, a preview of a mind map titled "Weird and Wonderful JavaScript" is shown. The mind map has a central node "Weird and Wonderful JavaScript" with several branches: "How to use the map" (with three yellow nodes), "Warm-up" (with three nodes: "numbers", "variable scope", "object properties"), "JavaScript straight out of Mordor" (with two nodes: "function arguments", "deadly typos"), and "I have a cunning plan...". A right-hand sidebar contains a search bar, navigation icons, an "Export Map" dropdown, social media icons, and a URL input field with the text "http://goo.gl/JN16o".
