Welcome to Your Profile

Your profile helps your friends learn about the people, experiences and activities that matter to you most.

See All

This is your Wall. Update your status, share photos, post your friends to see.

Control privacy when you post—or after   3 of 3

👥 Friends ▾   **Post**

Use this to manage who can see and comment on posts you share, including ones with location, if you add it. When you change this setting, it will stay how you set it for future posts until you change it again. Posts (including check-ins) from old mobile Facebook apps will use your new default privacy setting.
